

志木市 秋ヶ瀬総合運動場、秋ヶ瀬運動公園

The map shows the location of the Aikase Sports Complex and Park in Saitama City, Japan. A red dotted line indicates a route starting from the 'Utsunomiya Line Aikase-Hashi West' station, passing through the 'Aikase Bridge' area, and leading to various sports fields. Yellow boxes on the map highlight the specific locations of the youth soccer field, the general soccer field, and the touch rugby field. Inset photos provide visual context: the top-left photo shows a wide view of a soccer field; the top-right photo shows the entrance to the sports complex; the bottom-left photo shows a parking area with a car; and the bottom-right photo shows a road leading towards the park area. A detailed inset map on the right shows the route from the Aikase Bridge to the river crossing, marked with a red dotted line and a red arrow, and includes a 'No Entry' symbol (a red 'X' in a circle) indicating a restricted area.
